ROSE MEMORIAL
LIBRARY ASSOCIATION

June 11, 2026 Board Report

Katherine Coulter, Library Director

- I attended my first DA meeting, shadowing Carole, via zoom. It was a fairly short meeting, but it was good to see and meet the other directors.
- I attended the 'Directors Handbook' webinar, in which the committee that put together the NYS handbook went over and discussed the first chapter 'Getting Started', and talked primarily about acquainting yourself with staff, what information to research (policies, board meeting minutes), and what to know about the building itself (where all the shutoffs are, for example).
- I met with Claudia Depkin, Director of Haverstraw's King's Daughters Library, who has also graciously accepted to be my mentor in my new role. I took a tour of the facilities and she gave me some beginners' advice on how I should start off observing and researching.
- I attended the RCLS Town Hall with Carole, where we connected with RCLS's CFO, Stephen Hoefer. He will be meeting with the RML Building Committee on June 17th via Zoom explaining the process of obtaining the Construction Aid Grant and answering any related questions.
- I have kept up with the ordering and processing of books and other materials, and plan to do so until we find my replacement as Adult Librarian.
- We ran a social media campaign for 30 days with RCLS to advertise the Library of Things, with the results being:
 - •17,655 impressions
 - • 4,101 people reached
 - • 540 link clicks
 - • 419 visits to your library's website
 - • Average cost per click: \$0.25
 - • Average cost per result: \$0.32
- **A few highlights from the campaign:**
 - • Facebook generated the strongest overall reach and traffic
 - • The highest engagement came from adults ages 65+, particularly women
 - • Women ages 35–65+ consistently showed strong click through rates and website visits
 - • Men ages 25–34 also performed well with efficient costs and strong CTRs
 - The campaign maintained steady engagement throughout most of May before naturally tapering off at the end of the campaign period.
 - Overall, the results show strong community interest and effective audience targeting, especially among older adult audiences who were most likely to engage with the campaign and visit the library's website.

Carole Gomez, Director of Operations

- Katie and I have been working closely together as she transitions to Library Director. We are establishing parameters and boundaries as they relate to the positions of Library Director and Director of Operations.
- I have introduced Katie to ADP, QuickBooks Online, and the RML financial websites. We are creating a list of projects to work on throughout the summer months.

- It has become apparent that we will need some additional staff throughout the summer months in order to adequately staff all of the activities scheduled for the Summer Reading Programs as well as approve vacation requests. Two college students have been hired for the summer and are currently training.
- It has been decided by Senior Staff to fill the vacant position of Adult Librarian after Labor Day.
- Total for 2026, RML has received \$800.00 from 10 donors. There is a Thank You to All Donors page on the website and they receive letters for tax purposes.
- Rose Memorial Library has 2,993 registered patrons end of May. This represents a drop due to the RCLS purge policy.
- Twenty-three (23) new cards were issued May.
- In May, 1,327 in person visitors came to RML, lower due to Memorial Day weekend and unofficial start of Summer.
- May circulation continues to increase year to date.
- Books By Mail Outreach program (now administered again by me) was utilized by two (2) patrons.
- Monthly use of RML computer services is popular again and we provided 34 patrons with a new public computer to use. It also continues to increase year to date.
- It became necessary to purchase new laptops for patron use. The old ones were no longer viable.
- There were eight (8) requests for Notary services. Katie and I shared the requests.
- Rose Memorial Library continues to offer Proctoring services to several school/training programs: Stanford University, Quinnipiac University, Virginia Tech, Tulane University, Real Estate University and Pro-Career Center.

Susan Babcock, Director of Youth Services

- We had a solid month in May, though a few programs were impacted by weather and required cancellation. The programs that were held saw strong attendance and continued engagement.
- Much of the month was spent preparing for Summer Reading and our Summer Celebration. We worked closely with Dawn on the summer mailer and made updates to the Youth Services pages on our website to ensure information is current and accessible.
- In June the schedule will be lighter to give time to prepare for the kick-off to Summer Reading and program prep and decorate.

Dawn McFarland, Communications Specialist
